Synaesthesia

EDITORIAL

On 6th of May New Moon, *Shanqa* is presenting the last wonders from its path back to the Source, all related to the miracle of our sensations. « Like long echoes that intermingle from afar », the mind and the senses appear in their « dark and profound unity »: as Baudelaire writes in his 'Correspondences', Sounds, Colors and Feelings respond to one another. This #2 is all about being touched by a melody and moved by images, therefore finding our balance back from a place without boundaries: open to the infinity of life and to ours.

Shanqa

CONCEPT

Shanqa is an online publication which displays artworks and introduces artists - musicians, dancers, photographers, painters and others. The selection is made according to the strong connection they have with nature, universe and cosmic energy.

EDITORIAL POLICY

The website itself has a meditative design and aims to give the users a sense of contemplation. The images of the desert are chosen for their spiritual dimension.
