### EDITORIAL

---

Beyond interpretation and perception, beyond the visible and the audible, art opens an in-between path towards the unexpected dissolution of the opposite. In-between words, in-between shapes, some artworks create a new space for an inner equilibrium. With the New Moon and the solar eclipse of this 1st September, *Shanqa* invites you to the magic of an in between space: known and unknown, sound and silence, night and day, let's open up your soul and welcome the ongoing process of Life that brings movement, change, unpredictability, and eventually the elusive truth of human Being.

## CONCEPT

---

*Shanqa* is an online publication which displays artworks and introduces artists - musicians, dancers, photographers, painters and others. The selection is made according to the strong connection they have with nature, universe and cosmic energy.

## EDITORIAL POLICY

---

The website itself has a meditative design and aims to give the users a sense of contemplation. The images of the desert are chosen for their spiritual dimension.

## FOUNDER & CHIEF EDITOR

---

Stephanie Orace is Ph.D and teacher in Literature. Thanks to intensive philosophical readings and practices like taichi or yoga, she started to be aware of the power of words, sounds and images on our inner being. *Shanqa* was born from this very ideal: create a place to rise a positive energy and to balance the whole being.
