The Light within

EDITORIAL

With the last New Moon of 2016 and the beginning of a New Year, how about opening up to tomorrow's beauty and to a feeling of awe? The artists of *Shanqa* 6th issue speak about Light and their artworks are all imbued with brightness. A Light from within, conquered within oneself through contemplation, meditation, assiduous search, a Light that radiates outward to enlighten the world. Artistic expression is more than ever a vehicle of harmony that widens the infinity of existence, its timelessness and its share of invisible.

Shanqa

CONCEPT

Shanqa is an online publication which displays artworks and introduces artists - musicians, dancers, photographers, painters and others. The selection is made according to the strong connection they have with nature, universe and cosmic energy.

EDITORIAL POLICY

The website itself has a meditative design and aims to give the users a sense of contemplation. The images of the desert are chosen for their spiritual dimension.

FOUNDER & CHIEF EDITOR

Stephanie Orace is Ph.D and teacher in Literature. Thanks to intensive philosophical readings and practices like taichi or yoga, she started to be aware of the power of words, sounds and images on our inner being. *Shanqa* was born from this very ideal: create a place to rise a positive energy and to balance the whole being.
