### EDITORIAL

---

The February 26 New Moon that we have celebrated occurred in a very powerful eclipse season. This is the perfect time to set our intentions and cherish what is coming: a brand-new day to follow with a heart filled with openness and trust. Connected to this cosmic energy, *Shanqa* 7th Issue has a quite unique touch: one year back, on March 9, the website was launched and it was the beginning of a beautiful adventure.

Let each artist selected for this anniversary Issue open up your soul and take you back to a state of Joy and Wonderment. To (re)connect to the truth of who you are. Here is the very core of our publication: back to the Source.

## CONCEPT

---

*Shanqa* is an online publication which displays artworks and introduces artists - musicians, dancers, photographers, painters and others. The selection is made according to the strong connection they have with nature, universe and cosmic energy.

## EDITORIAL POLICY

---

The website itself has a meditative design and aims to give the users a sense of contemplation. The images of the desert are chosen for their spiritual dimension.

## FOUNDER & CHIEF EDITOR

---

Stephanie Orace is Ph.D and teacher in Literature. Thanks to intensive philosophical readings and practices like taichi or yoga, she started to be aware of the power of words, sounds and images on our inner being. *Shanqa* was born from this very ideal: create a place to rise a positive energy and to balance the whole being.
