EDITORIAL

The Universe is calling you. Calling you to an unknown space, where the old way of thinking, feeling and seeing the world around is no longer relevant. We are entering into a different age, where dragons of Light become visible for the humans' eyes, where music speaks its secret language soul to soul, where we travel through a multidimensional space, where we can experiment the infinity of our own being. In its 8th Issue, *Shanqa* brings you visionary artists who take you beyond knowing, beyond limited perceptions. Open up your soul and follow them to this unfolding world. Beyond a disused truth, to the other side of yourself.

Shanqa

CONCEPT

Shanqa is an online publication which displays artworks and introduces artists - musicians, dancers, photographers, painters and others. The selection is made according to the strong connection they have with nature, universe and cosmic energy.

EDITORIAL POLICY

The website itself has a meditative design and aims to give the users a sense of contemplation. The images of the desert are chosen for their spiritual dimension.

FOUNDER & CHIEF EDITOR

Stephanie Orace is Ph.D and teacher in Literature. Thanks to intensive philosophical readings and practices like taichi or yoga, she started to be aware of the power of words, sounds and images on our inner being. *Shanqa* was born from this very ideal: create a place to rise a positive energy and to balance the whole being.
